

THE DIRECTOR OF
CENTRAL INTELLIGENCE

100E

7/12/88

National Intelligence Council

We need to decide first
whether accommodating Gabos'
comments will require major
pre-coordination work or not.

I have a feeling that ~~an~~
effort to rank order or
class bases according to
importance will substantially
complicate coordination.
But it might be doable anyway
as an addition to KJs & Implications.
What do you think?

H. F.

ate has gone on to
the DCI with the DDCI's comments,
attached.
